MARCH 2008

## Side Roads

Welcome RMC Members to Side Roads (Pres Column). Thanks Darrel for the last 3 years. I hope to make it through the 1st year (ha ha).

Excitement is in the air for all in 2008. It's going to be a doozy for celebrations: Wing Ding 30, H.O.G. 25, Harley's 105th, 100 years of Cops on Harley's (1908), 15th annual Honda Hoot (Knoxville, TN) and even Tri's 5th anniversary party (Missouri).

Looking over the 2008 RMC Rides—it's simply the Best (schedule) here in the 'banana belt' of Montana. Let's show everyone and pull together and participate. Come on, where's that SMILE!

Try to remember, it's the journey, not the destination. Play it smart. Know your skill level and ride within it. "Live Free & Ride Hard"

(Well— at least on Sundays with RMC).  
JOHN

Hello All Rainmakers,

I received the following email on Wednesday February 27, 2008 from RMC member Jack Byrnes. I felt it was important to pass this onto fellow members.

**Subject: Larry & Stephanie Kelly  
Cheryl:**

It is with sorrow that I convey the the following. My condolences' go out to Larry! I received a call from Fay Wickham this evening and she informed me that Stephanie Kelly has passed away. She had complications with influenza B (MRSA). She went into the hospital about Thursday of last week and passed away on Sunday night. Stephanie was just 58 years young.

For those Rainmakers who did not know Larry & Stephanie, I will give you a little Rainmaker history.

Larry worked for the city of Billings (Public Works Dept.) He joined the Rainmakers back in the early 90s. At that time he had a Kawasaki touring bike. He later purchased a Ural motorcycle, (thank goodness he kept his Kawasaki). Urals have a permanent side car attached with two wheel drive, he put snow tires on it and rode all year round. We club members had a lot of fun ribbing Larry about his ride. Larry & Stephanie were married about 9 years ago and a couple

years after that they moved to Gillette, Wyo. where they opened up a recreational business. They met the club on rides to the Big Horn mountains on a couple of occasions. Larry and Stephanie were well liked club members and were missed when they moved to Gillette.

Jack

“Our Condolences go out to Larry Kelly for the loss of his wife Stephanie”

## Good Tip from March 2008 AMA

If you are one of those riders whose local climate requires a bit more time off the bike than you'd like in the winter, you'll soon be back on the road full-time after a season of low-mileage riding.

Do yourself a favor and **take the time to come up to speed both mentally and physically** as you spend more time on the bike. A great pre-season drill is simple: Find an empty parking lot and practice your hard braking, swerving and weaving. And don't forget to re-train your brain to think motorcycle after all those dulling car miles.

## IT'S WORSE THAN YOU THINK

**More Evidence of Distracted Drivers -March 2008 AMA**  
If you think distracted drivers are potentially dangerous, you're right. What's really scary is how many drivers are multi-tasking out there on the road.

According to a recent survey from the industry group Network Employers for Traffic Safety:

- 10 percent of drivers have done work-related tasks while driving, either by reviewing notes, talking on the phone or using a computer.
- 18 percent have applied makeup while driving.
- 32 percent of drivers admit to having read while driving.
- 39 percent have attended to children while driving.
- 51 percent say they use a cell phone while driving.
- 70 percent admit to eating while driving.

The lesson here should be clear: Be careful out there, scan way ahead, and always be ready to take evasive action.
